

Aftercare

Avoid dragging heavy furniture across the floor, always lift furniture, and be careful not to drag items.

Apply protective pads to the bottom of chair legs, tables, etc.

Always use castor cups on heavy furniture to protect against indentations.

Ensure entrance mats are non-rubber backed to prevent discoloration to the Vinyl flooring.

Routine cleaning

Always sweep the floor to remove grit and dirt.

Steam cleaners are not suitable for LVT or SPC flooring.

Mop with a pH neutral cleaner suitable for vinyl flooring. Avoid using bleach-based detergents, as these can cause discoloration. Use a well wrung out mop, do not soak the floor.

Mop up spills as soon as possible using cleaner as above
