

## Technical Data Sheet

# WHISPER

## 2MM WOOD & LAMINATE UNDERLAY

Whisper 2mm Wood & Laminate Underlay is a White Foam Underlay suitable for use in domestic settings with light foot traffic.

Made from ultra-lightweight polyethylene foam, it is easy to carry and simple to lay. It has a 0.69 tog rating, allowing heat transfer from the sub-floor, ensuring it works efficiently with both wet and dry underfloor heating systems.

It helps level the floor and provides cushioning, as well as impact sound resistance.

### Specifications
